

TOGETHER WE RISE

2019 ANNUAL REPORT

TOGETHER, WE WILL RISE

A MESSAGE FROM THE BOARD CHAIR AND EXECUTIVE DIRECTOR

Dear Friend,

Just as this Annual Report went to press in early March, our world as we knew it changed almost overnight. As we are all aware, COVID-19 (coronavirus) is impacting millions of lives, around the world and here in Western North Carolina.

We are sharing the report with you now, as we always do at this time of year, so that you will be encouraged and uplifted by the progress we've made together. You'll find inspiring stories of how people have overcome hardships, and the impact that you've had by supporting the work Pisgah Legal Services does to promote access to justice. For the people who turn to Pisgah

Legal when no one else can help, justice means safety from domestic violence, stopping an unfair eviction or saving a home from foreclosure, keeping children safe from abuse and accessing affordable health care.

Here are a few highlights of 2019:

- Providing free legal aid and other services to protect the basic rights and improve the lives of 18,858 people from across the region. That's 2,000 more folks helped than in 2018.
- Expanding to provide comprehensive legal aid to people with low incomes in Mitchell, Yancey and Avery counties. We are opening an office in the Highlands/

Cashiers area in 2020 to serve people in Jackson and Macon counties.

- Enrolling people in Affordable Care Act health insurance in 11 WNC counties.
- Filing free tax returns for low-income folks who qualify for the Earned Income Tax Credit and putting more than \$160,000 back in the pockets of working individuals and families.
- Advocating reform of the sexual assault laws in North Carolina and championing stronger statewide policies that increase safe, affordable housing.

- Building organizational structure and management capacity by adding staff and appointing attorney Jackie Kiger as PLS' first Chief Operations Officer.
- Increasing access to civil legal aid by adding online applications and screening applicants by phone in real time.

Our strength lies in what we do together, for the safety and well-being of our community. Together we will rise and continue to stand for justice and dignity for our neighbors here in Western North Carolina. As always, **we thank you for your steadfast support.**

Stopping Domestic and Sexual Violence

"Olivia" lived in constant fear of her husband. The worst nights were when he came home drunk. She and the children would hide in the bedroom while he raged, breaking dishes and screaming at them. "Eventually I would come out to keep him from attacking the children," she says. "If I did, he would beat me instead of them."

One night she came home from work early to find him sexually abusing their daughter. Olivia picked up the only weapon she could find – a frying pan – and fought back. Her husband fled the country, hiding from the authorities for years, but in 2019 he called Olivia, saying he was coming back to kill her and take the children.

Olivia reached out to the police and a local domestic violence shelter, who then connected her with Pisgah Legal Services. Attorney Madeline Offen guided Olivia through obtaining a restraining order, divorcing her husband and securing sole legal custody of the children. Now Olivia is working with Pisgah Legal's immigration team to gain permanent legal status. "I'm terrified of being deported, of being separated from my children and then being sent to Mexico where he is."

"I suffered for 14 years of my life. I don't want anyone else to go through this."

– "Olivia"

Preventing Homelessness

When Stephen and his wife separated, he became the sole caregiver of his son, Devin, who has special needs. Unable to leave Devin alone at night, Stephen changed jobs, earning less than half his previous salary. He fell behind on his mobile home's mortgage and lot rental and received an eviction notice.

Scared and alone, Stephen made his way to the courthouse. There he met Pisgah Legal Attorney Thomas Lodwick just outside eviction court. Thomas and Stephen negotiated with the landlord and mortgage company to stop the eviction. Together, they also reached out to community groups that helped Stephen catch up financially.

The father and son remain in their home, and Stephen found a better job working at Devin's school. Stephen says, “I prayed for a miracle. Sometimes God brings a stranger into your life to help you.”

In 2019, more than 325 people avoided or delayed eviction due to PLS' program that positions staff and volunteer housing attorneys inside the Buncombe County Courthouse.

“I see folks with many different needs: lack of health insurance, folks with literacy issues, people who are homeless. It’s critical that we address social determinants of health.” – Leah Yetter

When Lisa (right) was diagnosed with cancer, she had no choice but to retire after 29 years of working as a nurse. Together, she and Leah Yetter, a Pisgah Legal health advocate who works with Hot Springs Health Program, secured health insurance for her, her husband and her son, all previously covered through Lisa’s work.

Fortunately, Lisa is now in remission, and she still comes back year after year to renew her family’s ACA health insurance with Leah.

Pisgah Legal works in medical-legal partnerships with MAHEC, RHA Health and Hot Springs Health Program to address “social determinants of health,” conditions in the places where people live, learn, work and play that affect a wide range of health risks and outcomes.

These partnerships resolve legal issues that impede health and train providers to screen patients for health-related social needs by identifying and addressing socio-economic problems – such as substandard housing and domestic violence – problems that harm health and can reduce the effectiveness of treatment plans.

Increasing Access to Health Care

Despite attacks on the Affordable Care Act, Pisgah Legal staff and volunteers persist, explaining options in easy-to-understand language and signing local people up for comprehensive, affordable health insurance.

During the seventh annual Open Enrollment Period (Nov. 1- Dec. 15, 2019), we completed 984 appointments to serve 1,500 family members. **79% of appointments ended with enrollment, renewal or post-enrollment assistance, our highest yet.**

Consumers with household incomes under 400% of the Federal Poverty Level may qualify for the Advanced Premium Tax Credit (APTC) to help lower their monthly premium costs and make health insurance more affordable. Our consumers qualified for an average of \$881/month, **making the total saved for a year \$9,298,308.**

This vital assistance is offered year-round, helping people outside Open Enrollment get and keep health insurance coverage. In 2019, we completed a total of 1,547 appointments, an increase from last year of 29%, to serve 2,325 family members.

Special thanks to the Kate B. Reynolds Charitable Trust for continuing to champion PLS' health justice work, to the RHI Legacy Foundation for supporting this work in Rutherford County, and to the many dedicated volunteers who are making coverage a reality in our mountain region.

**“You took the time to correctly understand our situation,
help us correctly answer the questions...
You were friendly, patient, efficient and thorough.
And we left so relieved!”** – Lisa and Kraig

Assisting Immigrants

Abeer was living in the U.S., a refugee from war-ravaged Yemen, when she met and fell in love with Matt. After they married, Matt was sure they would have no problem obtaining Abeer's citizenship.

They filed the paperwork, paid thousands of dollars in fees and traveled to Greenville, Morrisville and Charlotte. They hired an attorney, contacted public officials, and made countless phone calls to U.S. Citizenship and Immigration Services. But more than two years later, they still had no answers. Matt says, "They have all these different departments, and no one takes any responsibility. In the meantime, Abeer couldn't get a job or drive or have a bank account. I was mad."

They came to Pisgah Legal Services where Immigration Law Advocate Noele Aabye discovered the couple needed to re-submit Abeer's medical exam. Soon after doing so, they received her green card.

In 2019, generous donors gave more than \$80,000 to support PLS' work with immigrants.

"If it wasn't for Pisgah Legal Services, I think we would still be checking the mailbox every day."

Securing More Money for Working Families

Working folks, particularly those with families, may be eligible for tax refunds of hundreds or even thousands of dollars, even if they are not technically required to file due to lower incomes. Through the **Earned Income Tax Credit (EITC)**, families can receive up to \$6,000 per year. The average yearly household income of a Pisgah Legal client is only \$13,955, so an EITC can be an incredible benefit for struggling families.

In 2019, Pisgah Legal staff and volunteers filed 165 tax returns for clients that resulted in \$160,445 in tax refunds. Of that amount, \$68,157 was in EITC. Our free service also saved clients more than \$36,000 that would have otherwise been paid to tax preparers.

Did you know that Pisgah Legal has assisted 20+ area nonprofits with start-up support since we began in 1978?

Creating Permanent Affordable Housing

Pisgah Legal is spearheading a new effort to create permanently affordable housing through a community-based nonprofit called the Asheville-Buncombe Community Land Trust (ABCLT). After more than two years of careful research and planning, ABCLT has hired an executive director, and construction on new housing begins in 2020. Find out more at abclt.org.

Expanding to Meet the Needs in WNC

In 2019, a new Pisgah Legal office opened to serve the people of Avery, Mitchell and Yancey counties thanks to support from the Samuel L. Phillips Family Foundation, the AMY Wellness Foundation and The Fund for Mitchell County. PLS Attorney Olivia Williams (left) is one of the staff attorneys who works in these counties.

In 2020, PLS will open a Highlands/Cashiers office to serve folks in Jackson and Macon counties. This is made possible by a dynamic group of local residents who are raising the necessary funds, along with support from churches and local foundations, including the Highlands Cashiers Health Foundation and affiliates of CFWNC and NCCF.

Thanks to the WNC Bridge Foundation, Pisgah Legal is also expanding the Elder Law program to serve more seniors across the mountain region.

THE POWER OF PRO BONO

Volunteer Attorney Saves a Family's Home

When Ruth and Boris found a home for sale by owner, they jumped at their chance at the American Dream. They negotiated to buy the property, made a large down payment, and began making monthly payments to the sellers, never missing one. But two years later, the sellers suddenly increased the price of the house. They demanded Ruth and Boris pay up or get evicted and lose everything. When the couple refused, they were given a 10-day eviction notice.

Ruth and Boris' world was falling apart. Their daughter was killed while serving in the military, they were in danger of losing their home and had no resources to hire an attorney. Ruth called Pisgah Legal Services who connected her with volunteer attorney Bryant Webster. "I put my life in his hands," Ruth says. "He was my hope."

For four years Bryant fought multiple eviction attempts on their behalf, eventually unwinding the illegal transaction and securing a new loan with HomeTrust Bank. Ruth says, "My heart is beating again. I'm not lost. We are safe in his hands. We found the right person."

"This case will long count as one of the highlights of my legal career."

“We volunteer as a family because our values are aligned with the mission of Pisgah Legal.”

The Pitts Family

Three generations of the Pitts family volunteer their time to advance the work of Pisgah Legal Services.

Bob was one of several Buncombe County lawyers who assembled a legal aid startup in 1978 that grew to become Pisgah Legal Services. He has served on the Board of Directors, staffed the Attorney Hotline and continues to take pro bono cases. In 2019, PLS honored Bob with the Roy W. Davis, Jr. Volunteer Lawyer Award.

Becky Pitts became a volunteer at Pisgah Legal in 2010 as part of the first group of health justice volunteers enrolling people in ACA health insurance.

Becky has volunteered faithfully for all seven ACA Open Enrollment periods. Her grandson, fifteen-year-old Cajes, joined Becky in 2019 by putting together ACA information packets.

Bob and Becky's son, Ben, started volunteering with PLS in 2008 as soon as he received his license to practice law and joined his father's firm at Pitts, Hay & Hugenschmidt. He takes pro bono bankruptcy cases, staffed the Pro Bono Attorney Hotline for nine years, and currently co-hosts the monthly debt clinic at PLS' Asheville office.

Thank you to this generous and giving family!

*as of March 3, 2020

Congratulations to Pisgah Legal Attorney Anne Salter who was elected as the President of the Buncombe County Bar in 2019. Anne has been on staff at Pisgah Legal Services since 2016. For the last two years, she has been embedded at Mountain Area Health and Education Center (MAHEC), implementing a model medical-legal partnership.

After 39 years as a staff attorney for Pisgah Legal Services, Bill Whalen is retiring in 2020.

Bill's tireless work on behalf of his clients – thousands upon thousands of folks assisted over his long career – has included stopping home foreclosures, fighting off predatory lenders, and advocating for debtors' rights.

For almost four decades, Bill has shared his wealth of experience and knowledge, providing leadership and training to junior staff, summer law clerks and volunteer attorneys.

Bill initiated and led PLS' effort to develop the Mountain Area Volunteer Lawyers Program (MAVL) and served on the local Bar's pro bono committee for 30 years. Countless lives have been changed for the better thanks to Bill's passionate efforts to stand up for those who need it most. Executive Director Jim Barrett says, "Bill's contributions to the effectiveness of Pisgah Legal Services may never be matched." **Thank you, Bill!**

May: Asheville Radio Group staffers Cathy Courtenay Smith and Thad Monteiro make volunteer attorney Vann Vogel feel at ease while recording a spot to promote Java for Justice.

July: Local chefs serve up their most delicious dishes at "Our Global Table," in support of PLS' immigration work. Special thanks to organizers Suzy Phillips and George Awad.

"Beyond our employees and guests, Katie Button Restaurants is passionate about caring for the Asheville community and causes that support community members in times of crisis.

We find that the Pisgah Legal Services' mission to pursue justice by providing legal assistance and advocacy to help low-income people in Western North Carolina meet their basic needs and improve their lives, is unique, much needed and very close to our hearts. We admire the leadership, dedication and responsibility the PLS staff and volunteers demonstrate, and believe that their work makes WNC a better place for everyone who calls it home."

*"I'm so thankful for what you and
 Pisgah Legal Services have done for
 me. It has changed my life.*

*I'm not worried about things like
 food and money as I once was.
 Now I can help my grandchildren
 when their parents can't. Like
 buying pencils and paper for school.*

*I can't tell you how much I
 appreciate you and the people
 that made this possible."*

If we have made an error, an omission, or if you would like to change the way your name appears, please contact Ally Wilson at ally@pisgahlegal.org.

MAKE A LASTING GIFT

A legacy gift can meet your personal, family and financial goals, and help ensure that Pisgah Legal Services continues on for years to come. Legacy gifts include a cash gift to our endowment, a bequest in your will, designation of PLS as a beneficiary of retirement accounts or life insurance, real estate gifts, or a charitable trust or annuity.

In 2019, an anonymous donor issued a \$100,000 challenge to raise funds for the endowment. Endowment Chairs Pat and Phil Smith (right) led the campaign, and we are happy to report that the challenge was met and exceeded! We wish to thank each and every person who has made a planned or cash gift to the Pisgah Legal Services Endowment.
