About the Speaker

We are pleased to announce that Matthew Desmond will return as our 2023 Justice Forum speaker. Desmond last joined Pisgah Legal in front of a sell-out crowd at our 2017 Forum. Desmond, a MacArthur “Genius” and Princeton sociologist, was launched onto the national stage as an expert on contemporary American poverty with the publication of his Pulitzer Prize winning bestseller *Evicted: Poverty and Profit in the American City*.

Desmond’s latest book, the instant #1 New York Times bestseller *Poverty, by America* investigates why the United States, the richest country on earth, has more poverty than any other advanced democracy. Desmond is the Maurice P. Daring Professor of Sociology and the founder and principal investigator of the Eviction Lab at Princeton University.

About the Justice Forum

Pisgah Legal’s Justice Forum will be held at the Thomas Wolfe Auditorium in downtown Asheville on Tuesday, October 17th. There will be a ticketed, pre-event reception at 5:30pm followed by the free Justice Forum at 7:00pm. There will be a live-streaming option for those who prefer to join virtually.

We host this event each year to call for justice and to generate honest conversation about pressing local and national issues. This year’s Forum focuses on the question of why poverty persists in America, and what can be done to address it. Pisgah Legal provides a broad array of free, civil legal aid, anti-poverty advocacy and access to health care in WNC. Our vision is a community with polices and services in place that reduce poverty and ease the burdens of poverty on our neighbors.
