THE CAUSE

Pisgah Legal Services is a nonprofit providing free civil legal aid, anti-poverty advocacy, and access to health care to people with low incomes in Western North Carolina. Kids Deserve Justice supports our Children's Law Program, which helps disadvantaged children avoid unsafe housing conditions and homelessness, access essential services such as medical care, and escape abuse. Legal intervention can stop an immediate crisis and improve local children's long-term futures.

In 2023, we served over 23,000 people—more than 7,000 of them children—across the WNC mountain region.
