

Pisgah Legal Porch Party

What is a Porch Party?

A Porch Party is a small, social, informal gathering of people who are or who may become supporters of Pisgah Legal Services. The goal is for guests to connect with each other and learn more about PLS' work and impact.

We have found that Wednesday or Thursday evenings from 5:30 - 7pm work well for these events. Attendance is usually between 25 and 50 guests.

Role of the Host

Typically held at the host's home, the host provides the hors d'oeuvres and PLS contributes the beverages, including beer and wine. Together we will collaborate on the guest list and PLS will mail invitations and track RSVPs. Porch Parties are inherently flexible and can be customized to fit your preferences.
