

NCMEDHELP

Need help with Medicaid? We're here for you.

Free, one-on-one support

Not sure what to do? Can't fix a problem with your coverage?

CALL US. We'll help you figure it out and connect you with legal help if needed.

We can help you:

- ✓ Fix problems with billing, prescriptions, and non-emergency medical transportation (NEMT)
- ✓ Find a doctor or other services
- ✓ Sort out information and system errors that may keep you from getting care and medications
- ✓ Understand your Medicaid benefits and rights
- ✓ File grievances and appeals
- ✓ And much more!

Our team has years of experience navigating the health care and public benefits systems, and can help you with any issue – big or small – all for free.
